3 ABOUT COOKIES

A cookie is a small file of letters and numbers from our website that we store on your browser or device when you visit our website www.tecnisacademy.com. Cookies contain information that is transferred from our website to the hard drive of your device.

4 ABOUT OUR COOKIES

4.1 We use the following cookies on our website: www.tecnisacademy.com:

- (a) **Necessary cookies.** These cookies are essential for the operation of our website.
- (b) **Targeting cookies.** These cookies are non-essential for the operation of our website. We use these cookies to record your visit to our website, for instance the pages you have visited and the links you have followed. We use the information collected from the cookies to make our website and content engaging for individual users. We may also share this information with third parties for this purpose.
- 4.2 You can find more information about the individual cookies we use and the purposes for which we use them in the table below:

Cookie Name	Purpose	More information
Necessary cookies		
Consent	This cookie is essential for our site as it detects whether the visitor has accepted the marketing category in the cookie banner. This cookie is necessary for the GDPR compliance of our website. Timescales: expires in 2 years	YouTube.com
litespeed_dooref	This cookie is essential for our site because it controls the cache function. A cache is used by a website to optimize the response time between the visitor and the website. This cache is usually stored on the visitor's browser.	

	Timescales: in-session only	
<i>_lscache_vary</i>	This cookie is essential for our site as it stores the role of a logged-in user. Usually whether they are a user or site administrator. Timescales: expires in 2 days	
Targeting cookies		
<i>_ga</i>	This target cookie helps us understand how our visitors engage with our services. Google Analytics cookies collect information and report site usage statistics without personally identifying individual visitors to Google. It also enables us to distinguish one visitor from another. Timescales: 2 years	Google.com
<i>Last_result_entry-key</i>	This target cookie is used to track the user's interaction with our embedded YouTube content. Timescales: in-session only	YouTube.com

<i>LogsDatabaseV2:V# LogsRequestsStore</i>	This target cookie is used to track the user's interaction with our embedded YouTube content. Timescales: persistent	YouTube.com
<i>TESTCOOKIESENABLED</i>	This targeting cookie is used to track the user's interaction with our embedded YouTube content. Timescales: 1 day	YouTube.com
<i>VISITOR_INFO1_LIVE</i>	This targeting cookie tries to estimate the user's bandwidth on pages with integrated YouTube videos. Timescales:180 days	YouTube.com
<i>YSC</i>	This target cookie registers a unique ID to keep statistics of what videos from YouTube the user has seen. Timescales: in-session only	YouTube.com
<i>Ytidb:: Last-result.entry/key</i>	This target cookie is used to track the user's interaction with our embedded YouTube content. Timescales: persistent	YouTube.com
<i>YtidbMeta#databases</i>	This target cookie is used to track the	YouTube.com

	user's interaction with our embedded YouTube content. Timescales: persistent
